

LEAVING YOUR MARK

Proctor Free Library

PROCTOR JR.-SR. HIGH SCHOOL

JUST LIKE A GRAFFITI ARTIST
LEAVES HIS MARK ON A WALL,
SO WE TOO EACH LEAVE OUR MARK
ON THIS YEAR AFTER YEAR AS WE
WALK ITS HALLS, SIT IN CLASSES,
AND EAT LUNCH.

SOME MAKE THEIR MARK
BY PERFORMING ON STAGE
AND SOME BY PLAYING SPORTS.

SOME BY LEADING,
OTHERS BY FOLLOWING.
WE ALL LEAVE OUR MARK.

HOW WILL YOU BE REMEMBERED?
IF THIS WALLS COULD TALK,
WHAT WOULD THEY SAY
ABOUT YOU?

MESSAGES AND

ADVERTISEMENTS 61

The Class of 2009 proudly dedicates
this year's "Proctorian" to:
Mrs. Melissa Brooks

Gotcha! The Class of 2009, like always, had to make things a little more difficult. It was a unanimous vote this year that the yearbook should be dedicated to Mrs. Brooks. Keeping her from seeing the page was going to take a lot of stealth, but we are proud to say that Mrs. Brooks was kept in the dark about this dedication until the very end. Mrs. Brooks' Computer Lab is a busy place with classes in Yearbook, Digital Imaging, Animation, Video Production and Computers. The Computer Lab has also become a refuge for the fleeing Turkeys, Moon Man, and other students who need to work on the computers during study hall or lunchtime.

Every year the Yearbook becomes Mrs. Brooks' baby, she works for long hours before, during and after school. She also dedicates much of her free time to taking pictures at sporting events. Mrs. Brooks especially works hard for the basketball championships in Barre, spending many hours after school creating tattoos for the fans to sport.

Mrs. Brooks, who has been working here for 13 years, is very dedicated to her job. She loves to teach her students the newest technology and new ways of accomplishing tasks on the computers.

Mrs. Brooks is always willing to listen to any student and offer advice. With her smile always on her face and her happy spirit she has become a favorite among many students, especially the members of the Senior class. Finally, if you have any unwanted fish decorations, Mrs. Brooks would be happy to take them in.

Congratulations on this dedication,
Mrs. Brooks
you deserve it.

Jeff Anderson takes over West Street Market as the new owner and turns it into a store rivaling Walmart, providing his customers with the best of both worlds: a great shopping experience with good bargains yet still maintaining that small town feeling.

Tarrod Armstrong becomes the next chain saw juggling champion of the world.

Kyle Baccei works as a history professor and finds himself gradually embracing his inner democratic side, just as Mr. Mott predicted.

Becca Hall saves the world's children through her missionary and health services work in under developed countries.

Andrew Holden captures gold in the Snocross division of the X games.

Gina Isabelle becomes an animator for Disney and creates the next Disney Princess called "Ginabell".

Megan Knowles creates her own version of Jazzercise called "Megancise" and even though she makes millions in sales, still continues to teach Phys Ed, inspiring her students to "Megancise" their way through life.

Shawn LaPlant finally figures out a way to get paid by sleeping and works as a mattress tester.

Shelby Marceau becomes a world famous rodeo photographer.

Kelsey McCormack develops a twelve step program teaching high school girls how to be more aggressive playing sports entitled "How to Make the Other Team Cry".

Amy Moore wins The Nobel Prize for her book on how organic farming really can solve world hunger.

Ryan Mullan wins Price Chopper's award for Best Bagger of the Century.

Curtis Robinson decides real world nursing is not for him and becomes the next star of Scrubs in order to fulfill his nursing dream.

Tim Sadowski designs the first car powered by love.

Tori Scarzello completes her training as a neuroscientist and heads a research project on the effects of shiny things on the brain.

Chad Thornton joins the Power Team and learns the ancient secret of bar bending proving once again the truthfulness of his tattoo that "Only the Strong Survive".

Gabby Walker joins an ABBA revival band and tours the world with her chart-topping version of "Mamma Mia".

Chyla Washburn becomes a hit author with the publication of her series "What was I doing again?".

Brennan Watkins uses his demon driver skills for good by becoming an ice road trucker.

The Class of 2009 would like to thank Mr. Audet and Mrs. Ricci for helping us through our senior year. Special thanks to Mr. Audet who has been with us all four years of high school.

THE PHS YEARBOOK

Picking fonts on the Internet:
BEWARE of some of those silhouette ones!!

experience

Do you know how difficult it is to create a graffiti style theme when most of us don't know the difference between a tag, a piece, and a throw-up... forget even trying to **MAKE** one!! We don't understand words like hollows, hookups, or pipes. True graffiti artists would consider us toys who bite other people's work. We sure had fun trying to make our pages look good!

OUR CREW
BACK ROW: AMY MOORE, KESLEY MCCORMACK, JOSH MILES, CRAIG HALL, KYLE PALMER, CLAIRE CIPRIANI
MIDDLE ROW: BECCA HALL, MRS. BROOKS, SAVANNAH BAILEY, TIM SADOWSKI
FRONT ROW: JOSH TARANOVICH

Claire poses for a photo while working on our top secret yearbook during 8th grade computer class. (Mrs Brooks' coat really came in handy!)

Printing to the Band Room...
AAAAHHHHHHH!!
"Good thing the page wasn't themey!"
"Not THEM EYPIPI! It's our Table of Contents page! It's the **ONLY** page in our yearbook that totally explains **OUR THEM EY!**"
Thank you Kelsey for saving the day!!

"I'm afraid our Cover is going to look like a Football!"

"Where's JOSH???"

"...and if someone fell from **THIS HEIGHT...** they wouldn't get hurt!"
a quote from Kelsey and Mrs. Brooks' unforgettable tour of Wilson Castle

ad page **STRESS!!**
...discovering we forgot about that one little FULL PAGE AD 3 days before deadline - 1 page OVER
...discovering AN EMPTY SPREAD 2 days before deadline - 1 page UNDER
...Mrs. Brooks selling a full page color ad 2 minutes later. - a **MIRACLE!!**

"Kyle and JT'll probably start crying if we tell them..."

"It's a cool 74"

"It's an adventure: a long and winding journey... and we follow behind picking up the pieces!!!"

"Claire, check the calendar..."

Thanks to those of you who went above and beyond in order to make this yearbook a good one, for filling in the holes, for doing your job well, and for taking on additional responsibilities. Our book wouldn't be here without you!
